and

Fortieth Amendment of the Constitution (Care) Bill 2023

Friday 8 March 2024

Voters with Physical Illness or Physical Disability

Voters with a physical illness or physical disability, whose name is not on the postal or special voters list, and who may have difficulty gaining access to their local polling station may apply to have their vote transferred to a more accessible polling station in their constituency. This facility is intended to assist voters who find access to their local polling station difficult.

In order to avail of the facility, voters should apply to the returning officer for their constituency by **Friday 1 March 2024** at the latest.

A special application form is not necessary. If possible, voters should suggest an alternative polling station in the constituency which is both suitable and convenient to them.

Contact details for the returning officer for each constituency can be found at www.referendum.ie.
